Subject: **Circulation as well as uploading the admission advertisement in the organization's website for the 11th intake of Master in Public Policy and Governance (MPPG) program at North South University, Dhaka.**

Dear Sir,

We take pleasure in informing you that North South University; Dhaka has been offering a thesis-based Master's degree program in Public Policy and Governance with NORAD scholarships since 2008. So far, ten batches with more than 170 students have graduated. A good number of officers from Bangladesh Civil Service from the government have successfully completed the course and now are placed in different positions in the government. The MPPG course is a 36 credit course and the program has collaboration and active support from University of Bergen, Norway, University of Peradeniya, Sri Lanka, Tribhuvan University of Nepal and Royal University of Bhutan for the last eleven years which has in effect elevated the program to a regional level with students from Bangladesh, Nepal, Sri Lanka and Bhutan. Apart from its rich content and approach, MPPG combines lectures and students' theses supervision by Bangladeshi as well as foreign faculty members from the partner universities. You may kindly note that the 11th batch MPPG program features approximately Tk 2 (Two) lac as full tuition waiver and monthly scholarships for the study period in Bangladesh for the students.

In continuation of previous practice of requesting for circulation of MPPG advertisement on the website of MOPA, the MPPG admission advertisement notice for the 11th batch is being enclosed herewith for circulation in your organization and among different departments under your organization and also uploading in your website. Please note that a soft copy has already been sent to your email.

Please note that the intake of MPPG 11th Batch written admission test will take place on 7th July 2023, followed by a viva on the same day, depending on the number of applicants. Hence, the advertisement for the intake needs to be uploaded immediately to your organization's website as well as widely circulated among different department under your esteemed organisation to facilitate interested public officials to apply for the admission test. It may also be noted that after final selection of the candidates, classes will commence from August 2023.

Thanking you
