#### TO THE HOLDER

This permit guarantees that you are the only party working on the same or connected apparatus. It allows you to perform any work or operation on the apparatus with the following limitations.

1. The primary control devices of the apparatus, when located in the control Room, must be manipulated only by the operator or this delegate.
2. You must not allow this apparatus to become connected to, or in any way involved with other apparatus which is in service except with the consent of the operator in Charge.
3. Requests for charged conditions must be entered on the Operator's portion of this card.
4. Upon your written request and at his discretion, the Operator in safeguards provided if they interfere with your work, but you will automatically assume full responsibility for the hazards created by such removal.
